A FUN, PATRIOTIC EXPERIENCE
for the whole family!

Dear Members of EP Texas Flags Across America,

We are excited to share a wonderful opportunity with all of our members and supporters as the **250 Year Freedom Truck Mobile Museum** experience comes to El Paso, Old Glory Memorial at Flags Across America.

This patriotic event is more than just a display — it is an opportunity for our community to come together to celebrate freedom, honor our veterans, military, our community and heroes, and educate future generations about the sacrifices made for our country. The Freedom Truck brings interactive history, patriotism, and inspiration to communities across America, and we are honored to help welcome this special experience to El Paso.

We **encourage every member** to come out, enjoy the event, bring family and friends, and help us make this a memorable experience for the entire community. Your presence and participation help show the strength and unity of our organization and our continued commitment to patriotism and remembrance.

We **also ask all members** to please share event flyers, posts, and information on social media. By helping spread the word, we can encourage the entire community to visit, participate, and experience this unique event together. Every share, post, and conversation helps us reach more families, veterans, schools, youth groups, churches, and community members.

Together, we can help make this one of the most successful patriotic community events in our area and continue building awareness and support for Old Glory Memorial and Flags Across America.

Thank you for all you do for our organization,
our veterans, and our community. We look forward
to seeing everyone there proudly supporting
this incredible event!
